Happy New Year Glendale Families!

ISAIAH 40:31

**BUT THOSE WHO TRUST IN THE LORD
WILL FIND NEW STRENGTH. THEY
WILL SOAR ON WINGS LIKE
EAGLES. THEY WILL RUN AND NOT
GROW WEARY. THEY WILL WALK
AND NOT FAINT.**

PASTOR RANDY'S THOUGHTS

There is an old saying, "Every lock has a key." This reminds us that for every problem that we encounter there is always a solution waiting to be discovered. A child's life is filled with locks just waiting to be opened. $1 + 1 = 2$ unlocks the world of mathematics. C-a-t loosens the chains of spelling in a child's mind. 'See Jack run' removes the shackles of reading and allows the child to enter the realm of books. The teachers at Glendale Christian School are expert key makers and delight in helping our students unlock the mysteries and hidden treasures found in learning. Your children are treasure chests that are filled with amazing gifts, abilities, and potential that are locked away just waiting to be discovered. It is our duty and desire to find those treasures and provide the keys that are needed to help your child unlock the potential that is buried deep inside them. Each treasure that is unlocked leads to discovery of a bigger and greater adventure waiting for them. Wisdom and knowledge set free empowers your child to be the best that they can be for the Lord. Thank you, parents, for allowing us to discover and unlock the power and potential that is inside your child. Thank you, parents, for working with your children to reinforce the skills and practices that our teachers use to unlock these treasures.

Every child has many treasures locked up inside, but the greatest and most important treasure can only be unlocked by the child himself. This lock encircles their heart. There is only one key that fits that lock and it is Jesus. Every child and adult must decide for themselves if and when they will use this key. If we will allow Jesus

*"Jesus is the key that opens all the hidden treasures of God's wisdom and knowledge."
Col. 2:3 (TEV)*

to come into our heart, he will unlock all the hidden treasures that will make our life so meaningful. We will experience God's wisdom and knowledge in such a wonderful way.

Take some time to help your child unlock their potential and purpose. I also encourage you check and see if you have unlocked that chain that surrounds your heart. Jesus is the only key that fits that lock. Give Him a try today.
